## **CORONAVIRUS (COVID – 19) UPDATE TERM HOLIDAYS & TRANSITION TO REMOTE LEARNING**

Dear Parents/Carers

Yesterday the Victorian Government, with the support of the Chief Health Officer, announced the bringing forward of school holidays in Victoria, **commencing from Tuesday 24 March.**

At this stage school will resume on **Wednesday 15<sup>th</sup> April** following a student-free day on the first day of Term 2, as required by the Department of Education & Training (DET).

Should DET decide to close all schools after the holidays, Gladstone Park PS will transition to remote learning for all students. Therefore, I urge all parents to pay attention to media reports and refer to the school's website for any updated information: <http://www.gladstoneparkps.vic.edu.au>

**If the school does not reopen at the start of Term 2**, students will be able to access learning activities for their year level through the '**Remote Learning for Students**' link on the school's website. Teachers will update the learning activities weekly. The link also includes year level activity books that students may wish to work through once they complete the set tasks. Students should work on their learning tasks for **at least 2 to 3 hours per day.**

If your child needs any assistance or reassurance during this challenging time, they can contact their teacher via email (*please refer to the list of teacher email addresses on the back of this notice*) or through the Office on 93382774. Please note... inquiries that are not related to student learning must continue to come through the main office.

Families who don't have access to the internet at home are encouraged to contact their child's teacher after the holidays for alternative arrangements.

These are obviously unprecedented circumstances and I greatly appreciate your support as we navigate our way through these extraordinary times.

**Tony Malgioglio**  
**Principal**
