LOCK DOWN

Dear Parents and Carers

The Premier has just announced a return to Stage 4 lockdown from midnight tonight until midnight Wednesday. As a result, the school will be closed from Monday 15th to Wednesday 17th February for all students. At this point in time, all students will be expected to return to school when it reopens on Thursday 18th February. Onsite supervision is available for students whose parents are classified as essential or permitted workers who cannot make arrangements to supervise their children. Eligible parents must contact me on the following email and provide evidence of their work status by **8.00pm Saturday 13th February**.

Tony.Malgioglio@education.vic.gov.au

Due to the very short timeline provided, an online remote learning program will not be available at this point in time. However, students will be expected to do some of the following independent work at home:

- ***Reading***
- ***Discuss books read***
- ***Completing any unfinished work***
- ***Journal/diary writing***
- ***Story writing***
- ***Mathletics online***
- ***Practise times tables***
- ***Sunset maths (for those students who are currently using it)***

Please note that teachers will be working from home on Monday to Wednesday. Individual classroom teachers will contact families by email on Monday to make themselves available to assist and support students as required.

Please rest assured that I will contact all parents and carers as soon as I receive any new information from the Department of Education and Training.

Tony Malgioglio
Principal
