LOCKDOWN

Dear Parents and Carers

The Acting Premier has today announced a 7-day lockdown from midnight tonight. As a result, the school will be closed from tomorrow, **Friday 28 May to Thursday 3 June**. At this point in time, all students will be expected to return to school when it reopens on **Friday 4th June**.

The Department of Education and Training has declared that tomorrow will be a pupil-free day in order for staff to prepare for remote learning, which will be delivered from **Monday 31 May to Thursday 3 June**.

Onsite supervision will be available from Monday until Thursday next week only for students whose parents are classified as essential workers and who cannot make any alternative arrangements at all for the supervision of their children. Eligible parents or carers must contact me by **8.00pm Friday 28 May** via the email below with the days they wish their children to be onsite and provide evidence of their work status *i.e. a letter from their employer*. Evidence will need to be provided for both parents/carers if both are deemed essential workers.

Please note that teachers will be working from home during the period of lockdown and can be contacted by their individual emails that are available on the school website.

Please rest assured that I will contact all parents and carers as soon as I receive any new information from DET.
