From The Principal

A warm welcome back to all! It is great to hear that everyone had a very relaxing holiday and I trust families managed to enjoy some special time together, particularly over Easter.

There is lots happening in term 2 and we urge all families to read the fortnightly newsletters very carefully, taking note of important dates and events.

We encourage prospective new families to come and look at what we have to offer, as we are very proud of what we do and what we achieve as a dynamic learning community at Gladstone Park Primary School. We've already had numerous enquiries for next year and enrolment requests. If there are families you know out there looking for a strong start to education, we encourage you to invite them to contact us as soon as possible.

SCHOOL PHOTOS

A reminder that School Photo Day is next Thursday, 29th April. Families wishing to order photos are requested to do so online, following the ordering instructions that were included in a previous newsletter last term and also sent out through COMPASS on Monday this week. Alternatively, photos may be ordered using the special envelopes that all children took home this week. *If you're unable to order online and didn't receive a photo envelope, please contact the school office.*

SCHOOL ASSEMBLIES

Unfortunately, the school is still prevented from having parents, carers and other visitors join us for school assemblies. Government regulations and guidelines state *"If an event is held **with external guests** (parents/carers/visitors) then the overall attendee limit (inclusive of guests, staff and students) must be based on available floor space of the venue; with the density limit of one person per two square metres applied."* We look forward to inviting parents and carers back to our school assemblies as soon as density limits are eased.

BUILDING PROGRAM

I want to take this opportunity to thank all members of the school community for their patience, understanding and flexibility during this period of building works. We are all looking forward to taking over a wonderful new building in term 3.

BEREAVEMENT

We were all very saddened by the news of the passing of Toni Gregor's mother during the recent term holidays. Our deepest sympathy goes out to Toni and her family during this difficult time.

Tony Malgioglio
