ANZAC DAY SCHOOL CEREMONY

At our assembly on Monday last week our Student Leaders confidently conducted our 2021 Anzac Day commemorative ceremony with the entire school.

All students across the school took time during the week to learn more about the significance and symbolism of this day and Australia's involvement in conflicts around the world. The students made wreaths that are now displayed at the office.

NAPLAN

After their cancellation in 2020 due to COVID-19, the National Assessment Program Literacy and Numeracy (NAPLAN) assessments will be conducted between the 11th and the 21st of May. All Year 3 & Year 5 students will complete the NAPLAN assessments online at school.

NAPLAN is the measure through which governments, education authorities, schools, teachers and parents can determine whether or not young Australians are meeting important educational outcomes in literacy and numeracy. The tests provide parents and schools with an understanding of how individual students are performing at the time of the tests. They also provide schools, states and territories with information about how education programs are working and what areas need to be improved.

NAPLAN tests are one aspect of a school's assessment and reporting process; they do not replace the extensive ongoing assessments made by teachers about each student's performance.

If you have any queries or concerns about your child's participation in the NAPLAN please contact his/her teacher.

MOTHERS DAY STALL

I would like to thank Myf Trant and her band of Parents & Friends Club members for working so hard to make this week's Mothers Day stalls such a success. The gifts were varied, gorgeous and plentiful and I hope all the mums in our school community are pleased with their children's choices. I hope all mother's have a great day on Sunday and the children spoil them.
